May 28, 2026

Mr. Chuck Warrington
1058 Long Cove Road
Gales Ferry, Connecticut 06335

Dear Mr. Warrington:

Thank you for your application to serve on the Ad Hoc Committee to Develop a Process for Capital Improvement Building Projects for the Town of Ledyard. We received two applications to fill one vacancy from interested members of the community to work on this important short-term initiative.

Both candidates offered extensive educational background, great experience, and demonstrated a commitment to our community. Although the selection was difficult, another individual was selected, as the Administration Committee had concerns regarding a potential conflict of interest while you are currently providing services to the town working as the Owners Representative on the installation of the Heating, Ventilation, and Air Conditioning (HVAC) System at the Juliet W. Long Elementary School.

Vacancies on our town's committees is an active list and volunteers are always needed. Please find enclosed a list of our current vacancies for your review. Also a list of vacancies can be found by visiting <https://www.ledyardct.org/244/Commissions-Committees-Boards>

Please contact Town Council Administrative Assistant Roxanne Maher at (860) 464-3203 or e-mail: council@ledyardct.org should you like to be considered for another committee.

All of the town's committee/commission/board meetings are open to the public and residents such as yourself are encouraged to attend. The involvement of our citizens with your level of education, depth of knowledge, and experience is of significant value and is instrumental to the success of our community. Your interest in serving our community is appreciated.

Sincerely,

Adrienne Parad
Chairman Pro-tem
