Joe,

Would you prefer to sign on their behalf?

Our engineers are going to submit the application electronically by 12pm tomorrow and then deliver hard copies in the afternoon. If we miss tomorrow's deadline then we get bumped another month.

Frosty,

I hope all is well. We intend to make our wetlands application tomorrow. The wetlands commission will accept it at their April meeting and then we will be on the agenda May. As usual, there is a scramble at the last minute to put the final pieces together. Can you sign the attached form authorizing our application?
