"RESOLUTION APPROPRIATING \$8,550,000 FOR VARIOUS SCHOOL IMPROVEMENT PROJECTS; AND AUTHORIZING THE ISSUE OF BONDS AND NOTES IN THE SAME AMOUNT TO FINANCE SAID APPROPRIATION"

RESOLVED,

1. That the Town of Ledyard appropriate EIGHT MILLION FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$8,550,000) for various school improvement projects, including: replacement of the roofs at the Central Office, Gales Ferry School, and Juliet W. Long School; installation of solar equipment at Gales Ferry School and Juliet W. Long School; upgrades to the building management systems at Gales Ferry School; and electrical and HVAC upgrades at Juliet W. Long School. The appropriation may be spent for design, engineering and construction costs, equipment, materials, legal fees, net interest on borrowings and other financing costs, and other expenses related to the project or its financing. The Permanent Municipal Building Committee shall be the School Building Committee for the project and is authorized to determine the scope and particulars of the project. The Permanent Municipal Building Committee may reduce or modify the scope of the project, and the entire appropriation may be spent on the project as so reduced or modified.

2. That the Town issue bonds or notes or obligations in an amount not to EIGHT MILLION FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$8,550,000) to finance the appropriation for the project. The amount of bonds or notes or obligations authorized to be issued shall be reduced by the amount of grants received by the Town for the project. The bonds or notes or obligations shall be issued pursuant to Sections 7-369 and 10-289 of the General Statutes of Connecticut, Revision of 1958, as amended, and any other enabling acts. The bonds or notes or obligations shall be general obligations of the Town secured by the irrevocable pledge of the full faith and credit of the Town.

The notes or obligations shall be general obligations of the Town and shall be secured by the irrevocable pledge of the full faith and credit of the Town. The Town shall comply with the provisions of Section 7-378a of the General Statutes with respect to any notes or obligations that do not mature within the time permitted by said Section 7-378.

4. That the Mayor, the Director of Finance and the Treasurer, or any two of them, of the Town shall sign any bonds or notes or obligations by their manual or facsimile signatures. The Mayor, the Director of Finance and the Treasurer, or any two of them, are authorized to amend such declaration of official intent as they deem necessary or advisable and to bind the Town pursuant to such representations and covenants as they deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds or notes or obligations authorized by this resolution, if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years.

6. That the Mayor, the Director of Finance and the Treasurer, or any two of them, are authorized to make representations and enter into written agreements for the benefit of holders of the bonds or notes or obligations to provide secondary market disclosure information, which agreements may include such terms as they deem advisable or appropriate in order to comply with applicable laws or rules pertaining to the sale or purchase of such bonds or notes or obligations.

Approved by the Ledyard Town Council on: _____

Kevin J. Dombrowski, Chairman

Moved by Councilor Saums, seconded by Councilor Ryan

Discussion: Councilor Saums noted the Finance Committee had an extensive discussion regarding the need to increase the funding and bond authorization documents for the Various School Projects to provide for the redesigned HVAC system at the Juliet W. Long School.

Councilor Saums went on to provide some background explaining at the February 22, 2022 Referendum the townspeople approved a “*Resolution Appropriating and Authorizing the Issuance of Bonds in the amount of \$6,725,000 for Various School Improvement Projects*”, that included the following: the replacement of the roofs at the Central Office, Gales Ferry School, and Juliet W. Long School; the installation of solar equipment at Gales Ferry School and Juliet W. Long School; upgrades to the Building Management Systems (BMS) at Gales Ferry School; and electrical and ***HVAC upgrades at Juliet W. Long School***, which was designed as a split system.

Councilor Saums went on to explain to meet the State’s requirements to receive Grant Funding for the Juliet W. Long School HVAC upgrades that the system had to be redesigned as a full air conditioning system with outdoor CO2 monitoring, outdoor intake, and a Building Maintenance System (BMS) which was the same type of system that was installed at the Gallup Hill School and Middle School, opposed to the original proposed HVAC system for the Juliet W. Long School that was initially submitted in

2022, which was split system that recirculated the existing air inside the building. He stated installing an air condition system that used outside air that it would help to prevent to the spread of illness such as the recent Covid 19 Pandemic, explaining the former split system would only recirculate the air within a building which caused CO2 levels to rise causing the kids in school get sleepy, which was not good for learning.

Councilor Saums continued to state because the new HVAC design for the Juliet W. Long School would cost \$1,825,000 more than the amount that was included in the original \$6,725,000 authorization (previously approved in 2022); that the *Resolution Appropriating and Authorizing the Issuance of Bonds* needed to be updated to include an additional/supplemental authorization in the amount of \$1,825,000 bringing the total funding authorization to \$8,550,000 for these Various School Improvement Projects. He stated that this process would also require the town to go back to a Referendum to obtain the townspeople approval to proceed with increasing the dollar amount.

Councilor Saums concluded by explaining although the town would receive Grant Reimbursement from the State in the amount of 62% of the total \$8,550,000 project(s) cost that the Town was required to obtain authorization to bond the full amount. He stated the town's share of the additional cost for the redesigned HVAC system for the Juliet W. Long School would be about \$400,000. He went on to explain the reason this request to increase the Bond Authorization by \$1,825,000 has come forward quickly was because the State has notified Municipalities that they would reopen the Grant Application Process for the redesigned HVAC Systems. He noted the Grant Application Process was typically open for a 30–60-day period, however, there was no guarantee that the State would approve Ledyard's Grant Application for the redesigned HVAC system for the Juliet W. Long School.

Kevin J. Dombrowski, Chairman

Moved by Councilor Ryan, seconded by Councilor Saums

Discussion: Councilor Saums noted the background he provided regarding the need to increase the Resolution Appropriating and Authorizing the Issues of Bonds noted in Item 6 (see above) this evening. He went on to explain in accordance with Chapter VII, Section 9 of the Town Charter a Special Town Meeting that adjourned to a vote on the voting machines was required noting the following:

“Any resolution making a non-budgeted appropriation of less than one (1) percent of the current tax levy shall become effective after approval by the Town Council, provided that the Director of Finance certifies that there are available unappropriated general fund resources in excess of the proposed appropriation. Such appropriations shall not exceed accumulatively two (2) percent of the current tax levy in the current fiscal year.

Any appropriation in excess of the limitations in Section 9 above shall become effective only after it has been approved by resolution of the Town Council and adopted at a Town meeting by a majority vote of the qualified voters present and voting.

Any resolution making a non-budgeted appropriation of more than one (1) percent of the current tax levy, but less than five (5) percent for any purpose, any resolution authorizing the issuance of bonds or notes or other borrowing of less than five (5) percent of the current tax levy, except notes in anticipation of taxes to be paid within the fiscal year in which issued, and any sale or purchase of real estate or interest therein shall become effective only after it has been approved by the Town Council and adopted at a Town meeting by a majority vote of the qualified voters present and voting at such meeting.

Councilor Saums stated these Resolutions were setting the date of the Special Town Meeting to be on October 10, 2023; which would adjourn a Referendum on the voting machines on October 17, 2023. He stated the voting location for all polling districts would be at the Town Hall Annex Building.

4. MOTION to recommend the Town Council authorize the Mayor to issue a “*Letter of Commitment*” to the Avalonia Land Conservancy in response to their request of \$50,000 and \$100,000 from Account #21090305-58920 (Acquisition of Open Space in the CNR Fund) for the acquisition of the following two parcels to be protected and utilized as open space to be payable to Avalonia Land Conservancy at the time of the closing:

(1) 154 Stoddard’s Wharf Road, Ledyard 35.95 acres (\$50,000)

(2) 148 Stoddard’s Wharf Road, Ledyard 223.47 acres (\$100,000)

Moved by Councilor Saums, seconded by Councilor Ryan

Discussion: Councilor Saums stated the Town was not buying 259.42 acres of land for \$150,000. He explained that the Town was committing to use funding from the Open Space Fund to help support the purchase of these two parcels thru a *Public-Private-Partnership* (PPP); should they be successful in securing funding thru the Open Space and Watershed Land Acquisition (OSWA) Grant Program, which provided financial assistance to municipalities and nonprofit land conservation organizations to acquire land for open space, and to water companies to acquire land for open space.

Councilor Saums noted the Open Space Fund was established to purchase open space explaining that the town sets aside twenty percent (20%) from the real estate conveyance tax into various Capital and Non-Recurring Funds, namely Parks & Recreation and Public Works; as well as the Open Space Fund to be used for the acquisition of Open Space.

Councilor Saums went on to explain that Avalonia Land Conservancy would own the properties and have invited the Town and Groton Utilities to participate in the preservation of these properties thru a *Public-Private-Partnership* (PPP). He stated these two parcels abut one another, and that 148 Stoddard’s Wharf Road abutted the head of the Groton Reservoir system, which was the reason Groton Utilities was interested in preserving these properties as open space, noting that it was an excellent way to protect it from future development and from potential runoff to our water supply that both Groton and Ledyard use. He stated these properties were a huge parcel and had the potential to extend the Tri-Town Trail (Bluff Point to Preston Plains Park) from its current termination at the southern end of the Clark Farm. He stated although there were

a couple of other properties that have not been resolved yet, that preserving these two parcels as open space could help to bring the Tri-Town Trail down to Route 214 and possibly further. He noted the Tri-Town Trail has been a project for the last 17-years.

Mayor Allyn stated the Open Space Account had a current balance of \$383,788.33 with no open commitments at this time.

Annie Becerra \$4,910.98

Mary Hooper \$2,559.52

Moved by Councilor Saums, seconded by Councilor Ryan

Discussion: Councilor Saum explained in accordance with policies established for the Tax Collection Department, refunds to taxpayers exceeding \$2,400 are to be approved by the Town Council. He stated in both cases there was a double payment of the taxes, which was typically caused by both the lender who holds funding in escrow for the payment of taxes and the homeowner paying the taxes. He stated when the Tax Collector finds a double payment that they notify the property owner. He stated all the paperwork was in order to issue these two tax refunds.
