Re: Ledyard Multi-Use Pathway

Dear Mr. Lynch,

The receipt of your request for Groton Utilities Project Management, inspection labor at Col. Ledyard Highway, for the proposed Multi-Use Pathway & Sidewalk is acknowledged and installation of a tapping sleeve valve for 1 fire hydrant by Groton Utilities' Distribution crew (hydrant to be re-located by others). We have prepared the following ***ESTIMATE*** based upon our discussions for your use:

Estimated charges from Groton Utilities: = *$18,975.00*

Groton Utilities will provide the following:

- 12" x 6" Tapping Sleeve Valve
- Tapping Service
- Inspection of all water service, fire service, and main crossings
- Updates to all records as needed indicating crossing location and separation measurements
- Valve operation as needed for isolating section of main and fire hydrant services

This ***estimate*** of cost prepared by the Engineering Department is provided for informational purposes only. You will be responsible for the ***actual cost*** of any work done by this Department. Actual cost shall be understood to include all Department charges for labor, material, and equipment with an applicable markup on labor to cover overhead expenses. Any charges from outside contractors will be billed at actual cost.

Should you have any questions concerning this estimate, please feel free to contact me at 860-460-0595.

Sincerely,

GROTON UTILITIES

Cesar Osuba
Project Manager
