Good Afternoon Chairman Ball:

- June 5, 2024 – Earth Day
- August 21, 2024 – Old Folks Day
- September 11, 2024 Hometown Heros.

Please let the Community Relations Committee know if the requested dates are available.

Thank you,
Roxanne”

Chairman Rodriguez stated that April was *National Volunteer Appreciation Month*. She suggested the Town Councilors work to attend their Liaison Assignment Committee’s meetings next month to thank all of the town’s volunteers for the service they provide to the Town. She stated that she would draft a “Thank You” flyer to provide to the volunteers and she also encouraged the Town Councilors to try to do something special to show their volunteers that they were appreciated, noting that it could be a simple gestor such as baking them cookies.

Councilor Brunelle noted that April was also Arab-American Month; and she suggested that perhaps the Community Relations Committee could do something each month to recognize and acknowledge the diverse members of the community. She noted examples such as: June being Pride Month recognizing Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) community; and September as National Hispanic Heritage month. Councilor St. Vil urged caution, noting that if they were going to do something each month, as Councilor Brunelle suggested, that they would need to make sure they do not miss anyone.

Councilor Brunelle stated that they would keep this on their agenda.

Next Meeting: 04/17/2023 6:30 p.m.

3. Identify various town venues to host “2024 *Informal Conversations in the Park*” to engage residents in discussions regarding their concerns and their ideas for potential solutions.

Chairman Rodriguez noted the Community Relations Committee had been working with Parks, Recreation & Senior Citizens Director Scott Johnson, Jr. to coordinate a program to visit all of the Town’s Parks to showcase to the residents the variety of parks Ledyard offered, which include both water access venues and land activities venues such as Town Green (Upper & Lower) Highlands Lake, Blonders Pavilion, Erickson Park, Lantern Hill Waterfront Park, just to name a few, noting that many of these facilities were available to be rented for events.

Chairman Rodriguez went on to note that getting residents out to visits their parks would also provide an opportunity to engage with residents to learn about the issues that were of concern to them. She stated listening to their residents would enable them to begin a dialogue regarding their concerns and to work to find solutions.

Councilor Brunelle stated that they would keep this on their agenda.

4. Ideas to increase communication/transparency with residents.

Chairman Rodriguez noted the town was currently using the following sources to communication with the public:

- Town website
- Ledyard News
- Mayor’s News
- Events Magazine (quarterly)
- Meeting Portal

Councilor Brunelle noted after the Community Relations Committee’s January 17, 2024 meeting that she created a short video that was posted on the town’s website to show residents how to sign-up for the **Notify Me**. She explained all residents had to do was visit the town’s website at www.ledyardct.org and click on the **Notify Me** tab that was located in the middle of the screen; and then follow the prompts to enter in their information. She stated residents could sign up for email and/or text messages. (please see below):

Chairman Rodriguez stated the **Notify Me** information (as shown above) was included in the Town Council’s Article that was published in the February 2024 Events Magazine. She noted the article also included the following dates regarding the upcoming **Fiscal Year 2024/2025 Budget**:

- April 15, 2024 Public Hearing
- May 20, 2024 Annual Town Meeting
- May 21, 2024 Referendum Vote on the Fiscal Year 2024/2025 Budget

Administrative Assistant Roxanne Maher noted she obtained the following subscriber information from the MIS Department:

- **Notify Me** – 181 Residents were signed up
- **Town News** – 200 Residents were signed up
- **Tax Department Notifications** -31 Residents were signed up

Ms. Maher also noted that in addition to the communication sources Chairman Rodriguez noted (see above) that all the town’s Legal Notices such as Public Hearings, Town Meetings, Referendums, Adoption of Ordinances, and Land Use Decisions were published in the Newspaper. She suggested in response to residents comments regarding the lack of transparency and the lack of communication regarding town events that Town Councilors ask what sources the residents were using to obtain their town information (i.e. newspaper, town website, social media, etc.) noting that perhaps the town could include the media sources residents were using. She also suggested that Councilors could direct residents to use the many town sanctioned media sources that were currently available.

Chairman Rodriguez stated in attending her Liaison Assignments that Committee members have stated the Town’s website was hard to navigate. She questioned whether the website format could be changed. Administrative Assistant Roxanne Maher stated that periodically the MIS Department does work to make the Town’s website more user friendly, and she stated that they were open to suggestions.

Next Meeting: 04/17/2024 6:30 p.m.

2. Rename the Community Relations Committee to "*Community Relations for Diversity, Equity and Inclusion (DEI)*".

Councilor St. Vil noted the Community Relations Committee Mission Statement that was adopted by the previous Committee at their September 21, 2022 meeting as follows:

"The Community Relations Committee is tasked with being both an advocate and a resource for the community by listening, communicating, and engaging with the community, educating ourselves, standing up to discrimination and racism in all forms.

We do this by encouraging dialogue, promoting unity and understanding, and learning from one another as we continue to build a strong community together, making sure no-one is left behind."

Councilor St. Vil stated that he was in-favor of renaming the Community Relations Committee because it would more accurately reflect their role, as provided in their Mission Statement.

The Committee questioned the process to rename the Community Relations Committee. Administrative Assistant Roxanne Maher explained because the Town Council's Standing Committees were established by their Rules of Procedures; that they would need to draft an Addendum to the "*Resolution Establishing the Rules of Procedure for the Twenty-seventh Town Council*" that the Town Council adopted at their Organizational Meeting on December 4, 2023.

- MOTION to recommend the Town Council approve an Addendum – 2024 to the “*Resolution Establishing the Rules of Procedure for the Twenty-seventh Town Council*”: Paragraph 12 pertaining to Town Council Standing Committees to the revise the name of the Community Relations Committee to the “*Community Relations Committee for Diversity, Equity and Inclusion*” as presented in the draft dated March 20, 2024.
