III. OPENING AND CLOSING THE FLOOR TO TENANTS, RESIDENTS & PROPERTY OWNERS COMMENTS

(Comments limited to (3) minutes) Total Time Allotted Thirty (30) Minutes

Ms. Linda Rapson #14 read a letter she had written

1. One concern I have is although outsiders have a right to be here, as a resident I feel it is an invasion of my privacy. Up until today I have been reluctant to speak in front of the visitors. I suggest that anyone who is not a resident here send a letter addressed to the board along with requesting the issue be discussed at a meeting along with responding with their decision. Via email

2. A local resident who lives outside of our complex suggested the smokers be allowed back to the carport until the designated area is created.

3. This is just a thought, I am aware I may not get my wish but here is my idea. I love the

idea of a Gazebo, however, I don't like it to be screened in, because the birds get in as a result of age. It would be nice to have an open one, Maybe not this year but next year.

4. I plan to give a couple youth group leaders a walk through the trail that leads to the senior center so that they can make arrangements for the youth to work on creating a wider path. I will present this to Colleen or the powers that be for approval and recommendations, I can also arrange for the lady's group I belong to to provide refreshments to the volunteers. I have also counted the steps and there are 800 steps each way but the path is too narrow to walk.

5. At a recent meeting of my women's group they requested a list of suggestions so they can collect for our private food bank.

Chairman Duzy thanked Ms. Rapson for her comments.

Ms. Shari Fernandez Unit #3, stated she has been to two Town Council meetings because the LHA meetings were canceled. and she has been ignored for months by the Board Members and the Town Council. She stated this was a subsidized facility and by definition is owned by the State and we are creating fraud. Ms. Fernandez added this facility is owned by the state and an eviction attorney stated the addendums are null and void. Ms. Fernandez stated that the smoking addendum should state no smoking within twenty five feet from buildings and common areas. Ms. Fernandez stated per HUD they only have the authority to make no smoking policies in buildings and office space 25 feet away from buildings. Ms. Fernandez stated we are not privately owned and would not be eligible for a small cities grant.

Chairman Duzy thanked Ms. Fernandez for her comments.

Ms. Murray, 16 Chapman Lane, Gales Ferry stated that she has been working on issues for 6 or 7 months. Ms. Murray stated her son in law is an attorney and in his point of view some civil rights are being trampled. Ms. Murray stated that the Chairman said LHA was not public and he should be relieved of his duties. Ms. Murray added she believes there are five laws being breached. Ms. Murray also added that she was the one who got wreaths hung on doors no matter what anybody else says. Ms. Murray stated that residents receive retaliation for speaking up and FOIA is being violated in the minutes. Ms. Murray stated that she has been treated with rudeness and is only trying to work for the residents. Ms. Murray added that residents were told there would be a lottery for empty apartments but that did not happen and apartments were given to someone else. Ms. Murray handed copies of the following letter to board members and tenants:

We rented 2 units in January, welcome Jean in 15 and Gail in 16. Unit 6 is in the process of being rented and unit 9 is being prepped to rent.

Recertification packets went out in December and paperwork is due by March 1st. I have received a couple. Copier in the community room is available for tenants to make necessary copies. The Renters Rebate applications are out already, make an extra copy of your 2023 income documents if you're going to apply, applications in the hallway of the community building, call Karen if you have any questions.

We are working on finishing up the outside stuff, ruts in the ground, it has been so rainy and wet, Stay on the sidewalks not on the grass.

We went with a different laundry company, new machines were installed in January. \$1.25 to wash with upgrade options and \$1.25 to dry. In August those rates will increase by .25 to \$1.50, its 60 minutes of dry time vs 45 minutes previously.

Casella Waste is using cameras and computers to analyze materials in recycling bins I have sent out multiple notices and still having issues with people throwing regular trash into the recycle bins. The postcard provides the images of the contaminants, I haven't received any but I anticipate getting them because it continues to be an issue.
