 - a. Giving Owner thirty (30) days written notice; and
 - b. Payment of all monies due through the date of termination of this lease.

Tenant's move-out notice will not terminate the lease sooner than the end of the lease term or renewal period. Verbal move-out notice is not sufficient. If Tenant fails to give thirty (30) days written notice or if Tenant moves out without rent being paid in full for the entire lease term or renewal period, Tenant will be liable for all unpaid rent plus an additional cost of breaching the lease in the amount of two (2) full month's rent.

22. NON-PERFORMANCE OR DEFAULT BY TENANT. If Tenant fails to pay rent immediately as required, or if Tenant or an occupant of the Premises engages in criminal activity in or on the Premises, or otherwise or if Tenant fails to comply with any term, condition, obligation, or agreement in this Lease, or the Addendums, or if the representations contained in Tenant's Lease application are incorrect, misleading or untrue, then Owner, may either give Tenant notice to correct such breach or, in the alternative, take immediate action to terminate Tenant's lease in accordance with state law. In any case, Tenant will

be responsible for paying attorney's fees and court costs for the enforcement of this lease, including but not limited to collections for unpaid rent and eviction. 23. **DRUG ACTIVITY.** Tenant shall not allow or permit controlled dangerous substances (ILLEGAL DRUGS) except those obtained by legal prescriptions, to be on or in the Premises or on the common areas of the building. With respect to this paragraph, Tenant assumes full responsibility for the actions for guests and agrees that Tenant's lack of consent or lack of knowledge of drug possession or activity on behalf of guests while on the Premises shall not constitute a defense to the breach of this paragraph. Nonsmoking will include: tobacco cigarettes, smoking of marijuana, vaping, pipes, cigars, and chewing tobacco.
24. **REMEDIES.** If Tenant fails to comply with or breach this lease or relevant law, Owner will terminate the lease.
25. **FAILURE TO VACATE AFTER NOTICE.** If Tenant gives notice to vacate the Premises and fails to completely vacate prior to the expiration of the notice, Tenant shall pay for each day Tenant remains in the Premises, unless prohibited by law, a sum equal to two (2) times the daily market rate for the premises, or the maximum sum as provided for by state law, whichever is less. The daily market rate for the premises shall be calculated by dividing the monthly market rate rent by the number of days in the applicable month.
26. **HOLDING OVER.** If Tenant fails to deliver all keys and vacate the premises on or before the termination of this Lease, Tenant shall pay for the period of holdover a sum equal to two (2) times the daily market rate for the premises, or the maximum sum as provided for by state law, whichever is less. Such reimbursement shall be due immediately upon demand by Owner. Owner's failure or delay in demanding damage reimbursements, late-payment charges, returned check charges, or other sums due from Tenant, shall not be deemed a waiver thereof, and Owner may demand same at any time, including upon move-out.
29. **OWNERS LIABILITY.** Owner shall not be liable to Tenant, or Tenant's agents, invitees, or employees, for any damages or losses to person or property caused by other Tenants or persons on the Premises. Tenant agrees to indemnify and hold Owner harmless from and against any and all claims for damages to property or person arising from Tenant's use of the Premises, or from any activity, or work done, permitted or suffered by Tenant in or about the Premises. Owner shall not be liable for personal injury or damage or loss of Tenant's personal property (furniture, jewelry, clothing, etc.) from theft, vandalism, fire, water, rain storms, smoke, explosions, sonic booms or other causes whatsoever, unless the same is due to the negligence of Owner.
30. **RENTER'S INSURANCE.** It shall be the option of the Tenant to obtain and maintain a Renter's insurance policy, which provides public liability coverage and also provides for the protection of Tenant's personal property. The Housing Authority strongly encourages tenant to obtain renter's insurance.

32. **OWNER'S OBLIGATIONS.** Owner agrees to maintain the Premises to comply with the requirements of applicable building, housing and health codes, to make all reasonable repairs (subject to notification by Tenant in writing of the need for such repairs and Tenant's obligation to pay for damages caused by Tenant, or Tenant's guests, invitees or employees), and to comply with all applicable state and local laws. Notwithstanding the foregoing, Owner is not responsible to Tenant for conditions created or caused by the wrongful or negligent act or omission of Tenant, Tenant's agents, invitees, employees, or any other Tenants. Addendum A – Mold/Mildew Agreement

THIS ADDENDUM IS HEREBY ATTACHED TO AND PART OF THE RESIDENTIAL LEASE DATED AND SIGNED BY THE UNDERSIGNED PARTIES.

Mold. Mold consists of naturally occurring microscopic organisms which reproduce by spores. Mold breaks down and feeds on organic matter in the environment. The mold spores spread through the air and the combination of excessive moisture and organic matter allows for mold growth. Not all, but certain types and amounts of mold can lead to adverse health effects and/or allergic reactions. Reducing moisture and proper housekeeping significantly reduces the chance of mold and mold growth.

Climate Control. Tenant(s) agree to use all air-conditioning and heating systems in a reasonable manner. OWNER RECOMMENDS THAT AIR CONDITIONING BE SET AT OR BELOW 74 DEGREES.

Tenant(s) agree to:

1. Take measures to reduce moisture in the premises. The following is a list of ways to help reduce moisture in a home:
 - a. Use exhaust fans while bathing/showering and leave on for 20 minutes after the bath/shower is complete to remove moisture from the air.
 - b. Wipe down bathroom after bathing/showering to reduce standing water.
 - c. Leave bathroom door and shower curtain open after use to allow the air to flow. Use ceiling fans, if present, to promote air flow.
 - d. Keep the premises properly ventilated by periodically opening windows to allow circulation of fresh air during dry weather only.
 - e. Do not “hang-dry” clothes indoors, as this will increase moisture in the home.
 - f. Regularly empty dehumidifier (if used).

Tenant(s) will report in writing:

1. Visible or suspected mold or mildew, including discoloration of walls, baseboards, doors, window frames, ceilings.
2. Leaky faucets, tubs, and toilets; and loose, missing or failing grout or caulk around tubs, toilets, showers or sinks.
3. Moisture dripping from A/C units.
4. All A/C or heating problems.

Violation of this Addendum. If Tenant(s) fail to comply with this Addendum, Tenant(s) can be held responsible for property damage to the dwelling and any health problems that may result. Noncompliance includes but is not limited to Tenant(s) failure to notify Owner of any mold, mildew or moisture problems immediately in writing. Violation shall be deemed a material violation under the terms of the lease, and owner or agent shall be entitled to exercise all rights and remedies it possesses against Tenant(s) at law or in equity and Tenant(s) shall be liable to Owner for damages sustained to the leased Premises. Tenant(s) shall hold Owner harmless for damage or injury to person or property as a result of Tenant(s) failure to comply with the terms of this addendum.

Addendum B – Smoke-Free Housing Policy Lease Addendum

Tenants and all members of Tenant's household are parties to a written Lease Agreement with the Ledyard Housing Authority (henceforth known as the Housing Authority). The Addendum states the following additional terms, conditions, and rules are incorporated into the Lease Agreement and supersedes previous versions of the Smoke-Free Housing Policy and any language contrary in the Lease Agreement.

1. Purpose of Policy.

This smoke-free policy is intended to benefit the Housing Authority and all of its tenants, visitors, and staff by mitigating:

- (A) The irritation and known adverse health effects of secondhand smoke;
- (B) The increased maintenance, cleaning, and redecorating costs from smoking;
- (C) The increased risk of fire from smoking; and
- (D) The higher costs of fire insurance for a non-smoke free building.

2. Definitions.

"Smoking" means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, or pipe, or any other lighted or heated tobacco or plant product intended for inhalation, including hookahs and marijuana, whether natural or synthetic, in any manner or in any form. "Smoking" also includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form.

"Electronic Smoking Device" means any product containing or delivering nicotine or any other substance intended for human consumption that can be used by a person in any manner for the purpose of inhaling vapor or aerosol from the product. The term includes any such device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor.

3. All Buildings To Be Smoke-Free.

All buildings and grounds will be smoke free effective August 1, 2023. Smoking is prohibited in all apartments, including any associated decks or patios, apartment entryways including, but not limited to: bedroom, hallway, kitchens bathroom, and in the common areas of the Housing Authority buildings including but not limited to: community room, community bathroom, lobby, laundry room, office, maintenance room, shed and gazebo.

4. Smoking on Grounds of the Housing Authority.

Smoking is prohibited anywhere on the grounds, entryways, patios, and yards or on the grounds adjoining housing and office buildings effective August 1, 2023.

5. Applicability of Policy.

This Policy is applicable to all Tenants, Housing Authority employees, visitors, contractors, volunteers, and vendors.

6. Responsibilities of Tenants.

Tenants shall inform their guests and visitors of the smoke-free policy. Further, a Tenant shall promptly give the Housing Authority a written statement of any incident where tobacco or marijuana smoke, or vapor from an electronic cigarette, is migrating into the Tenant's apartment from sources outside the Tenant's apartment.

7. Housing Authority to Promote Smoke-Free Policy.

The Housing Authority shall post no-smoking signs in conspicuous places on the grounds and administrative office buildings. In addition, the Housing Authority shall provide copies of this Policy to all Tenants and prospective Tenants.

8. Other Tenants are Third-Party Beneficiaries of the Policy.

Tenant agrees that the other Tenants on the Premises are third-party beneficiaries of the Smoke-Free Housing Policy. A Tenant may bring legal action against another Tenant related to this smoke-free policy, but a Tenant shall not have the right to evict another Tenant. Any legal action between Tenants related to this Policy shall not create a presumption that the Housing Authority breached the Lease.

9. Violations of Policy.

A violation of this smoke-free Policy shall be considered a material breach of the Tenant's Lease and grounds for enforcement actions, including eviction, by the Housing Authority. A Tenant who violates the Policy shall also be liable to the Housing Authority for the costs of repair to the Tenant's apartment due to damage from smoke odors or residue.

10. Housing Authority Not Guarantor of Smoke-Free Environment.

The Housing Authority's adoption of this smoke-free Policy does not make the Housing Authority or any of its officers, employees, or agents, the guarantor of the health of any Tenant or of the smoke-free condition of the portions of its properties in which smoking is prohibited under the Policy. However, the Housing Authority will take reasonable steps to enforce the Policy. The Housing Authority is not required to take steps in response to smoking in violation of this Policy unless the Housing Authority either has actual knowledge of the smoking and the identity of the responsible Tenant or has been given written notice of the smoking.

11. Housing Authority Disclaimer.

The Housing Authority's adoption of this smoke-free Policy does not in any way change the standard of care that the Housing Authority would have to render buildings and premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. The Housing Authority specifically disclaims any implied or express warranties that the building, common areas, or tenants' premises will have any higher or improved air quality standards than any other rental property. The Housing Authority cannot and does not warrant or promise that the rental premises or common areas will be free from secondhand smoke or vapor. The Housing Authority's ability to police, monitor, or enforce the provisions of this Policy is dependent in significant part on voluntary compliance by tenants and their guests/visitors. Tenants with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that the Housing Authority does not assume any higher duty of care to enforce this Policy than any other Housing Authority obligation under the Tenants' Lease Agreement. Action will be taken for non-compliance.

12. Effect on Tenants.

Tenant acknowledges that the Housing Authority retains the right to install devices that have the ability to detect cigar, cigarette or any other tobacco product in any apartment where the tenant is or may be suspected of smoking. Additionally, the Housing Authority has the right to conduct inspections and assessments of apartments with proper notice to the Tenant. Failure to adhere to the Smoke-Free Housing Policy is cause for further legal proceedings up to and including eviction.

13. Waivers.

There will be no waivers.

I have read and been informed about the content of the Smoke-Free Housing Policy Lease Addendum for tenants at Ledyard Housing Authority and I have received a copy of the policy. I understand that if I have questions, at any time, regarding the Smoke-Free Housing Policy Lease Addendum, I can contact the office of the Ledyard Housing Authority.

6. Tenant agrees to accept financial responsibility for the entire amount of any damages or injury to persons or property that may occur because of a pet.
