operating- supplies- reprint of regulations.
This line handles all overtime worked by Officers with the Ledyard Police
Department. This includes hours worked to meet minimum patrol staffing,
investigative overtime, court overtime, storm emergencies, planned and
unplanned events etc. Chief of Police. 3.0% proposed increase.

Captain - 3% proposed increase.

Salaries for 21 police officers. Includes 1 Lieutenant and 5 Sergeants. Includes CBA increases of 3% and step increases. See Salary Schedule for details. Additionally includes \$22,000 for estimated shift differential and \$10,000 to elevate a patrol officer position to a sergeant position.

Police Department Admin. 3% increase per Town Hall Union CBA.

This line item pays for contractual holiday hours accrued by officers in the course of the calendar year. Five of 13 paid holidays carry a 1.5 times pay rate for officers working the holiday. Officers may also cash in accrued holiday hours upon request. No increase FY25.

Each year the Ledyard Police Department receives grants from the CT DOT to conduct specialized enforcement. The department runs an active DUI grant funded enforcement program, and this expenditure is offset by revenue when reimbursed by the State of Connecticut.

This line funds work provided by Ledyard Police Officers for outside vendors (Construction, utility). . The hours worked, plus expenses, are billed to the vendor and reimbursed to the Town. The calculation is based on an average of the previous three fiscal years. The officers' pay rate has also increased in the current CBA

This line funds contractual meal allowances of when an officer works beyond 14 hours within a 24 hour period in accordance with article 12.9 of the CBA. In the current CBA, the amount has increased from \$15.00 to \$20.00 per occurrence. Requested increase reflects the contractual increase.

This line funds the degree incentive provided by contract. The contract provides for \$350.00 per member for completion of an Associates Degree and \$650.00 for a Bachelor's Degree. The Chief of Police is eligible for an additional \$1000 for a Master's Degree.

This line provides funding for the comp time liability incurred do to the contractual accrual of comp time, the line item is used when officers request pay in lieu of the earned time off.

CBA 16.11.

This funds the salary for Officers involved in training and/or funds to provide minimum patrol replacement. This includes mandatory recertification training, specialized training, mandatory firearms and use of force training, human trafficking training, and state mandated training sessions.

This line funds membership in the Law Enforcement Council of Connecticut, from whom the Department receives all certification training and promotional/hiring testing. There was an increase in fees for LEC in FY25 to \$11,466. Annual dues for Ledyard Sportsman's Club of \$1650 are also paid from this line for use of the facility for firearms training. This line also funds other specialized training to enhance officer performance and career advancement. The line also funds updated legal publications and field manuals for our officers and supervisors. This fund provides payment for software and hardware for systems under contract with some additional contracts associated with the new Ledyard Police Facility, (Everbridge \$3214, IDEMIA \$4409, PowerDMS \$4326, KONE Elevator \$5140, Ricoh \$5300, InTime Solutions \$5904, Axon \$4818

This account funds expenses associated with housing prisoners in the new Ledyard Police Facility. Meals-\$1000.00, Biohazard cleaning of cells/cruisers-\$2400, Towing of evidence vehicles \$500.00 Blanket Replacement--\$100, Hygiene products-\$50.00.

This line funds the maintenance and repair of all systems within the Ledyard Police Department. This includes, but is not limited to, computers, electronic, mechanical, furniture, etc. This line is also used for specialty cleaning and maintenance of equipment.

Funding for the repair and maintenance of the Ledyard Police Department vehicle fleet. This includes all routine maintenance, repairs, service, tires and parts to keep police vehicles operating safely. The department has experienced increases in repair expenses as patrol vehicles are being kept in service longer and incurring more repairs. Requested increase based on current usage, fleet mileage

This item funds the cellular phones/wireless technology for the Ledyard Police Department Chief, Captain, Detectives, ACOs, and monthly cellular phone service.

This provides connectivity for the Mobile Data Terminals installed in Police vehicles. This allows for officers to query and receive data through cellular technology in the police vehicle. Officers utilize a computer in the vehicle to type and submit reports and log police activities. The service from AT&T costs \$912 per month and the annual fee for NetMotion software from Absolute Software is \$1110.

Total for EV25 \$12 054

This funds expenses related to the operation(s) of the Police Department. This includes, but is not limited to, consumables, cleaning supplies, office supplies, printer ink cartridges, copy paper, case folders, binders, and items required for the production and dissemination of police reports.

This line pays Ledyard WPCA for water service to the Ledyard Police Facility. The building has 2 water meters that are billed at approximately \$125 each per month. Total requested \$3000.00. No increase for FY25.

Funds Gasoline for Police vehicles in a collaborative effort with Public Works. No increase for FY25.

This line funds the purchase of all uniforms and equipment required for Police Officers. This includes duty belts and carriers, outerwear and body armor, which is a contractual requirement. It also funds the dry cleaning services provided under the collective bargaining agreement, and footwear as provided by the CBA. No increase EY25

This line funds the Departments purchase(s) of all ammunition required for duty and weapons usage/qualification, targets, gun cleaning supplies, firearms equipment/repair/parts, and weapons accessories including lights and optics. No increase FY25.

The sole new equipment request is for 20 replacement ballistic rifle plates for officers responding to incidents involving firearms, at \$369.00 per unit. Current plates issued to our officers have passed their expiration dates. Total requested is \$7920. Eligible for 50% reimbursement if the department receives a grant from the DOJ Bulletproof vest partnership.

This line pays for expenses related to professional development and training for the Captain and the Chief of Police. No increase for FY25.

This line funds equipment and veterinary expenses associated with the department's currently inactive K9 Program. The department has been offered a grant through the Hometown Foundation to secure a police canine. The department is also interested in the possible adoption of a service K9 program. This request is to open the line item with \$1.00 for the fiscal year with the intention to fund the program with grants and donations.

This line funds overtime wages to replace full time employees for vacation, illness, training, and other absence from regularly scheduled shifts.

Wages for per diem dispatchers who fill shifts when full time personnel are off duty or when needs of the department require additional staffing for emergencies or planned events.

Dispatcher salaries. 3.0% increase per Emergency Services Union CBA plus step increases as applicable.

Each full time employee accumulates 13 paid holidays per year per and may request pay for accrued holiday time per contract. The LECC has 8 full time employees.

Contractual Meal Allowance for Full Time Dispatch personnel. Per Article V Section C, employees working 2 hours beyond their scheduled shift are entitled to \$20.00 meal reimbursement.

This line provides funds for the maintenance of all radio systems for the Town of Ledyard & the electronic, computer and mechanical equipment required to operate the Dispatch Center/Police Department. TriTech-\$21250, Communications Plus-\$3500, Interaction Insight-\$3676, Universal Telecommunications--\$2600, Huntington Power-\$2400, Vertiv APS-\$2387, Total Communications--\$5527, Console Cleaning Specialists \$1200

This line funds all telephone land lines and internet service to operate LPD and LECC. Comcast-\$5280, TPX-\$4800, Frontier-\$4680

This line provides for all consumables and other supplies required to operate the Dispatch Center. This includes, but is not limited to, paper & Ink for reports and NCIC/COLLECT, writing implements, Office Supplies, printer ink cartridges, binders, folders, dividers, etc. \$500 increase requested for FY25.

This line funds the purchase of uniforms worn by Dispatchers, purchase of uniforms for new hires and part time personnel, and any alterations required. This expenditure is contractual and includes a \$35 per month cleaning allowance for each full time employee. This provides for the required training for all Full Time Dispatchers to maintain certification. It also provides for trainings deemed necessary by the Chief of Police for professional development, improved operations. This line provides for membership in professional organizations which provide periodic training and periodicals on industry trends. The line also reimburses personnel for mileage used to attend training in a personal vehicle. \$500 increase requested for FY25.

Overtime for ACOs for after hours calls as needed. \$200 increase requested FY25 based on current usage.

Animal Control Officer. 2.5% contractual increase per CBA

Part time wages for assistant ACO. Calculation based on 1248 hours per year to cover Friday through Sunday, Holidays, training days and after hours calls. Hourly rate calculated at \$21 per hour.

This items funds non-routine veterinary expenditures, such as euthanizing an injured or sick animal in the custody of Ledyard Animal Control. The department is also supported in this expense by donations from the community. No Increase FY25.

This line funds mandatory training for Animal Control Officers and training materials/publications. Training for ACOs is required by statute.

This items covers all supplies and expenses needed to maintain the ACO facility and other expenses such as office supplies, cleaning supplies, telephone and internet service, preventive maintenance HVAC and septic systems, ACO uniforms and building supplies, and support for Town Dog Licensing software.

This items covers equipment needed by the Animal Control Officers including personal protective equipment, gloves, catch poles, carriers, leads, leashes.

This line item pays for participation in the state Animal Population Control Program which is administered by the State Department of Agriculture and funds the spay/neuter/vaccination of adoptable pets at a low cost of \$45.00 for CT residents. The program is funded by surcharges on dog licenses for nonneutered pets. No increase EY25

Annual Dog Fund remittance to State Overtime.

Fire Marshal. 3.0% increase per Firefighters CBA, plus step increase if applicable.

Frontier Communications Charges

This line item covers various items such as, SCWA Water, janitorial, ESB Fire Alarm testing, office supplies and several smaller items.

Uniform cleaning & Accessories

Fire Marshal required training and code publications.

Overtime for career firefighting staff. Includes funding for career callback for emergencies and increased staffing levels for storms and other incidents. Also includes allotment for required mandatory trainings such as life burns, which cannot be completed during normal work hours.

Administrator of Emergency Services. Stipend amount.
Firefighter salaries for all 5 paid firefighters. 3.00% increase per Firefighters
Union CBA., plus annual step increases per the CBA.
Operating expenses for the Administrator of Emergency Services position.
Includes cell phone, office supplies, meeting needs and membership dues.
Also includes NFPA compliant physicals for all fire service members as
required. Includes volunteers and career staff on a 1/3/5 year cycle as dictated
by age.
Payments to 3d party ambulance service.
Fire Chief Stipend
Volunteer and Career Firefighter Training
Applicance testing
Repairs, Maintenance and NFPA testing (pump tests) for Fire Apparatus and
equipment.
Cell phone stipend and electronic incident notification subsciption
Operating Expenses
Volunteer and Career uniforms and personal protective equipment.
This will support the Fire Police Program for stand by's to supplement the
Police. All Fire police services paid from this account will be billed to the
customer based on the current billing amount for a police officer.
customer bused on the current bining amount for a police officer.
New and replacement fire, rescue and EMS equipment.
Volunteer Incentive Program
Fire Chief's stipend

Required by contract for career firefighters, Training materials and supplies
Required by contract for career menginers, framing materials and supplies

***medical
***firefighting classes
***fire officer training
****training equipment
***test, and recertify hose appliances per
NFPA standards
Essential to basic operations;
one phone line
one fax line
Fire Chief's cell phone
Allows for restock of equipment required by the State of Connecticut to
maintain first responder licensing designation.
Meets NFPA standards for purchase and maintenance of firefighting
equipment including the mandatory breathing air testing, repairs to PPE,
required annual scba maintenance.
Allows for desirable level of public fire and life safety education; achieves
minimum level of fire prevention and public outreach.
Truck garaging covers expenses incurred by the fire company to house town
trucks and equipment
Mandatory Dept. of Transportation inspection by certified mechanic, annual
ladder and aerial testing and certification, annual required fire pump testing
and certification
Repairs of fire apparatus, repair of all equipment associated with the vehicles
including portable power units, saws, generators, hydraulic tools.
to conform/meet laws, rules, and regulations for firefighters', EMS, protective
clothing consumables
protective firefighting gear repairs
fire police standbys for utility emergencies

Purchase of and replacement of rescue, fire, and EMS equipment that is at the
end of life span (ropes and harnesses, cold water suits)
ongoing incentive program for the volunteers
Emergency Services Director. Partial reimbursement from EMPG and NSEP
grants.
Expenses related to the position and operating the Emergency Operations
Center. The Majority of the expenses are paid thru various grant programs.
The expenses are categorized as Drill Expenses (1000)Radio / Misc
Maintenance costs (1500), office supplies (1000), telephone (50) and support
sunnlies (1300)
Municipal Agent stipend.
SCHOOL NURSE SALARIES: 5 full-time nurses: 35 hours per week. (195 days)
plus vacation per contract. 180 SCHOOL DAYS
12 hours for LV's clinic for the year.
96 hours for school RN for summer school additional \$3200 - Reimbursable
from BOE SCHOOL HEALTH ASSISTANTS: 2% increase per Health Assistants Union for 4
positions.
180 days a year 19 HOURS PER WEEK.
100 days a year 19 hours per week.
Department Head5 FTE position
SUBSTITUTE NURSE: Substitute school nurses are required when regular staff
are out of work due to illness, personal days, or attending mandated
continuing education programs. Fund is also used to orient new substitutes
which is done annually. Substitute nurses are necessary in the school to
administer specialized treatments to students which cannot be delegated to
non-professionals. Mandated CGS 10-212.
OVERTIME/SCHOOL:
Per Union Contract. \$300 per nurse. 5 school nurses eligible.
SCHOOL NURSES LICENSE'S: 5 RN's at \$110 for yearly licensure - other
miscellaneous.
Continuing Education, Dues and Subscriptions.
Public Works Director. Position presently combined with Town Engineer. As
Public Works Director, manages all aspects of the Public Works Department.
This includes in-house and contracted road maintenance and sanitation
services. Serves also as the Tree Warden and Fleet Manager. As Town
Engineer performs in-house efforts and secures and coordinates consulting
services as necessary to satisfy administrative needs related to local
requirements and regulatory mandates, and to meet review needs for
development activity and other departmental needs. Salary per terms of
RESOLUTION ESTABLISHING ADMINISTRATOR/DEPARTMENT HEAD BENEFITS
(i.e., "Increases in wages shall be effective on the first day of July and may not
be less than the percentage of the highest union contracted increase for that
fiscal year.")

The Town will need engineering consulting services for support of various projects and/or tasks requiring specialized expertise. The demand for such services will remain high in the absence of a full-time Engineer and any increasing demands associated with regulatory mandates and expanding infrastructure needs. This account provides for baseline MS4 Stormwater mandate support, miscellaneous surveying and minor civil design needs, and other services associated with engineering administration. Starting in FY20 it also provides for GPS service for select PW fleet vehicles. Starting in FY21, this account funds a road temperature sensor service. In FY24, this account began funding an online asset maintenance program (Brightly). The increase represents the cumulative impact of these added services.

This account provides for mandatory CDL driver drug and alcohol testing services, dues for professional engineer licensing and the Connecticut Tree Warden Association, reference materials, meetings/conferences, and mileage reimbursement.

Provides payment for extra hours of work according to union contract requirements. Provides for payment of personnel when working beyond normal working hours for purposes other than snowstorms, e.g., after-hours response to emergencies such as fallen trees/limbs, debris clearing, sign posting. Also used when Department crews perform construction-type projects and tasks where the need to complete particular phases of work before shutting down for the day arises due to unforeseen events. There are also instances where planned overtime is prudent to minimize the impact of certain tasks to residents. Increase reflects a minor adjustment for contractual base wages increases.

This account has provided modest funding for summer help to augment fulltime workforce at a time when road and building maintenance activity peaks and full-time workers are taking vacation. Budget amount has been marginal for the full potential costs for the traditional temporary workforce for the entire contractually-allowable period of May 15th through September 15th. With the additional full-time employee added in FY23, this would cover two part-time individuals.

Highway Superintendent salary in keeping with Collective Bargaining Agreement. Highway Superintendent is the first line supervisor for the Public Works workforce, comprising the Highway, Buildings and Grounds, and Garage divisions.

Provides funding for Public Works employees in the Highway and Buildings & Grounds divisions in keeping with the Collective Bargaining Agreement. This includes the following contract positions: Leadman, Buildings & Grounds Foreman, Operators (2), Maintainers (10), and Laborer. The manning level reflects a reduction from its peak manning by eight individuals for most of the last thirty years. With the increase of infrastructure of about 17% over that same time, the winter and construction season maintenance needs have steadily increased, straining resources in a number of ways that negate our ability to keep pace. Thus, the workforce represents a lean number that at times struggles to keep pace with the full range of infrastructure tasks.

Provides for moving an employee of lower paygrade into a higher position due to the absence of another employee and/or the nature of work. Some upgrades are mandatory because of contract requirements.

Provides funding for part-time snow help mobilized to supplement full-time forces during winter operations. These forces were typically mobilized only as necessary to meet the needs of particular events. These needs have tended to vary greatly depending on the nature of the winter and the cumulative state of the full-time staff and associated availability.

Provides for payment of personnel beyond normal working hours during snow plowing, salting, and support operations. Expenses and budgeting needs are subject to wide variation depending on severity, timing, and frequency of snow and ice events over the course of a winter season. The budgeted amount proposed assumes needs would be average and anticipates need for supplemental appropriations in event of a bad winter. Typical number of snow OT events per year is 15 to 20 @ average \$5,500 snow OT per event. Snow OT costs have continued to increase in keeping with annual salary increases.

Provides funding for Public Works training plan leading to such certifications as CT Roadmaster, with emphasis on safety and improved efficiency. Safety training will help with CIRMA risk management rating. Also covers, as necessary, contract provision for copayment of CDL A license acquisition.

Provides for planned and contingency contract services. Does not account for historical average of costs (~\$80K) of vital services typically funded by TAR funds, including roadside spraying, annual gravel road maintenance, and other road right-of-way maintenance for which these funds are inadequate. This budget anticipates no loss of TAR funds.

Telephone and cable service to Public Works garage, telephone service to Transfer Station monitor shed (regular use and incidental service/repair expenses), and cell phone service for the Director and Highway Superintendent.

This account provides for unleaded gasoline used by PW Department vehicles and equipment, and other municipal and emergency services vehicles; also includes engine oils, lubricants, fuel additives, etc. and service expenses for tank servicing (water removal, etc.). Approximately 18,000 gal/yr including BOE demand. BOE pays directly for its usage, which offsets the budgeted amount down closer 10,000 gallons. The Police budget carries funds for portion of gasoline delivered to fuel station required for Police fleet needs (about 24,000 gal). Budget reflects no change from FY24.

Diesel fuel used by PW Department vehicles and equipment and both Ledyard and Gales Ferry Fire Departments. Approximately 21,000 gal/yr, anticipating the demands of a normal winter. Purchase according to either a fixed or floating price will be undertaken according to what seems most favorable. Budget reflects no change from FY24.

Provides for contractual uniform and boot allowance for Public Works personnel. The Highway Superintendent and each Teamster bargaining unit member receives and allowance of \$650 for approved items individually purchased (\$710 x 17 personnel = \$650 x 1 person = \$12,720).

This account covers miscellaneous needs for office supplies and small tools and equipment items. As to office supplies, provides for purchases of general items, used mainly by Hwy Superintendent and Maintenance & B&G Foremen (markers, folders, paper, misc. pads, forms, notebooks, copier supplies, computer supplies, printer supplies, organizers, file containers, etc.). Provides for various hand tools and small power tools, replacements parts, expendable parts, etc., used by Highway, Buildings & Grounds, Garage personnel. Also provides for bottled water, which is required for Public Works Garage because the on-site well source for water supply is non-potable and suitable for utility purposes only. Increase reflects increased water costs and other inflationary increases.

Provides for miscellaneous safety equipment, services, and apparel, fire extinguishers, work gloves, lights, glasses, ear plugs, rain gear, repair/recharge of extinguishers, insect and pest agents, first-aid kits, etc.

Primarily covers stipend payments for meals entitled to the PW crew during overtime events, in accordance with the terms of the contracts. Also provides for food purchased separately to ensure meal availability during severe storms likely to disrupt normal services.

Provides funding for Public Works employees in the Garage division in accordance with the Collective Bargaining Agreement. This includes the following contract positions: Maintenance Foreman and Mechanic.

This account provides for miscellaneous shop supplies and minor services.

The Department utilizes on its large plow trucks carbide tipped plow blades (about \$1,500 apiece) in combination with regular blades to reduce the frequency of replacement. This account also covers resupply of blades for smaller dump and 4WD pick-up trucks used for snow plowing. About 3 carbide sets and 8 regular blades are required annually, but the cost of steel continues to increase. Adequacy of the budgeted amount depends on the severity of the

Provides for a wide variety of replacement and repair parts and accessories for vehicles and equipment and for labor for jobs farmed out because of the lack of in-house resources or capability. Used mostly for servicing PW as most other Town departments have separate budgets for maintenance of their vehicles and equipment. The pressure on this account has increased as extending life cycles of vehicles has been required to reduce capital outlays and due to dramatically increased complexity and vulnerability associated with added electronic and emissions controls. Also, the budget value reflects the impact of average winter operations on plow trucks and related equipment.

Covers services that provide oxygen and acetylene gas for welding and cutting and associated accessories and supplies. Expenditures are variable depending on type and frequency of repairs, fabrications and modification work on equipment, vehicles, etc. Efforts to stretch the life cycles of trucks and equipment continue to put pressure on the expenses incurred in this account, whether work is performed in house or farmed out. Provides for tires for the Department's vehicles and equipment - expenditures for vehicles are fairly routine, whereas tires for large equipment tend to be expensive and can have a sudden significant impact on budget (e.g., loader tires may be several thousand dollars apiece).

This account covers expenses for treated salt and any other winter treatment materials. The estimated average winter treated salt quantity needed is 1,500 tons. Price per ton had ranged between \$65 and \$85 from FY16 to FY22. But the price for FY23 jumped dramatically from \$77.33 in FY22 to \$95.58 (a 24% increase, expected, but still substantial). And the price increased further in FY24 to \$99.88 (an additional 4.5% for a cumulative increase of 29% in two years). The cost is up about 56% from a low in FY21. It may continue to climb for FY25, but the budget value has been increased to reflect the FY24 price.

Covers cost of minor damage from snow plowing (e.g., mailbox repair).

Covers expenses of miscellaneous repairs and patching carried out by PW crews in conjunction with spot patching, drainage work, pavement repair, preparation for road resurfacing, etc. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional asphalt expenses at historical average in excess of \$20K.

Covers costs of marking of intersections, crossings, etc., and replacement/repair of street and traffic signs by PW crews. Demands have increased to meet FHWA mandates for signage maintenance and improvements. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional signs and markings expenses.

Covers cost of contracted metal guide rail repair work. Major installation work and repairs have been funded by TAR monies, when available. This account has provided nominal funding for repairs only and reflects substantial dependence on TAR funding (assuming adequate appropriation by State). Budget anticipates no loss of TAR funds to fund additional work. Insurance reimbursement is sought wherever possible with respect to guide rail damaged in motor vehicle accidents.

Covers tree and limb removal beyond capability of PW department personnel and equipment. There are both ongoing and emergency needs. This includes the substantial road canopy needs that we are gradually addressing. TAR funding has been leaned on for inadequacies in this fund. Supplemental and/or budget transfers funding has been applied in an average amount exceeding \$30,000 the last several years to keep pace with the removal needs, which have been exacerbated by a number of widespread disease and pestrelated scourges. The increase starting in FY24 reflects this.

Covers various road base and shoulder materials for miscellaneous pavement repair/reconstruction and drainage work. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional expenses at a historical average of about \$10K. (Note: For consolidation/efficiency purposes, moved from Dept 10140109 in FY23.)

Covers mainly the costs of materials used by PW forces in the construction and installation of drainage improvement projects and facilities, including permanent and temporary erosion and sedimentation control measures, as well (e.g., piping, masonry materials, precast structures, accessories, filter material, landscaping materials, etc.) - varies, depending on type and amount of projects and tasks performed. Reflects substantial reliance on TAR funds and assumes no loss of TAR funds to cover additional expenses at historical average of about \$10K. (Note: For consolidation/efficiency purposes, moved from Dept 10140109 in FY23.)

This line item provides for maintenance needs for streetlights that the Town is now responsible for since replacing and taking direct ownership of streetlight fixtures.

Covers rental of specialty equipment used by or to assist PW crews, usually for specific tasks for which the department does not have the equipment/personnel capability. Budget amount contemplates limited use of this provision.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Town Hall and Annex (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs, and does not adequately fund carpet cleaning at appropriate intervals.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the buildings in Highway Garage complex (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs or appropriate improvements.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Police Station (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Ledyard Firehouse (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs, and does not adequately fund carpet cleaning at appropriate intervals. Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Bill and Gales Ferry Libraries (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs and does not adequately fund carpet cleaning at appropriate intervals. The increase in FY24 reflects absorption of the alarm system costs previously borne by the Library budget.

Provides for various supplies, materials, expendable items, and services used in the preventative and corrective maintenance of the Senior Center (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items, and supplies). Also provides for limited improvements through contractor services. Historic budget amount has not always covered many unexpected maintenance needs, and does not adequately fund carpet cleaning at appropriate intervals.

This was an account added in FY23 to coincide with the conversion of the Fairgrounds to a Town Green, which bears more direct maintenance responsibility for the PW Department. It provides for various supplies, materials, expendable items, and services used for the landscaping needs (e.g., soils, fertilizers, etc.) and structural preventative maintenance needs (e.g., lumber, hardware, paint, electrical/HVAC/plumbing items and supplies). Also provides for limited improvements through contractor services.

This account provides funds for the required overtime expenses for PW employee weekend fill-ins.

Provides funds for the contract services for curbside collection and disposal of garbage, recyclables, and bulky waste in accordance with the Curbside Collection Contract. The budget reflects the actual contract price for FY25 (\$641,836) with an additional allowance (about \$12,000) for extra charges associated with extra recycling cart service and cart replacements. Importantly, this is the last year of the present contract. It is expected that costs for curbside collection may increase significantly starting next fiscal year.

This account provides funds for the tipping (service) fees associated with waste delivered to the Preston Incinerator under the Curbside Collection Contract, for residential and municipal sources, and through commercial collection and disposal within Ledyard. After many years of a stable \$58 rate, SCRRRA has had to reduce its subsidy (i.e., increase the tipping fee charged member towns). Even with a relatively stable volume of waste, there will be a significant additional cost of disposal due to the tipping fee increase. This account reflects a service fee established by SCRRRA for FY25 of \$67.81 (this is the third year of progressive increase, and the greatest increase so far-now 17% greater than FY22). Under Town Ordinance, the tipping fees paid by the Town for commercial loads are received back through a backcharge of the commercial haulers.

IMPORTANT NOTE: The prevailing financial conditions under which SCRRRA now functions have changed dramatically, such that SCRRRA is still exploring various scenarios of progressive subsidy reduction. Thus, the Town can expect continued growing increases of the on-budget share of these costs, as we are now seeing. For many years the costs to the Town of waste disposal, recyclables disposal, and other Transfer Station related expenses have been both artificially depressed and stable due to the capacity and decisions of SCRRRA to subsidize these costs.

Provides funds for expenses associated with various operational requirements, such as annual landfill mowing (\$2,500), porta-potty rental (\$1,000), annual permitting fees. etc.

Includes hauling and disposal costs for bulky waste and other wastes and other miscellaneous transfer station disposal costs. These costs have been managed carefully, and the Town has realized some savings, but the long-term situation for disposal remains highly uncertain. Costs of disposal could increase dramatically at any time. An increase in FY23 reflected a marked increase in bulky waste disposal volume at the Transfer Station, on top of the 20% contract disposal rate from FY20. FY25 will be the 2nd year of the 2-year contract bid out in FY24, through which costs increased by nearly 40%. The budget reflects the cumulative impact of this.

Library Custodian - 23 hours per week. 3% contractual increase - already at max step.

Library Director. Projected 3% increase.

The Library has 3 full-time staff in the supervisor's union (a full time supervisor for each library and a full-time Youth Services Librarian).

This line includes those salaries including their contractual cost of living increases.

There are 5 staff in the Town Hall union (also including the Library custodian).

A Library Technician I - Reference works 20 hours per week (equaling 1/2 FTE) in each library as a supervisor when the Assistant Librarian or Director are not there.

The Administrative Assistant works 30 hours (equals .75 FTE) and has many tasks from processing new materials, tracking and ordering all supplies, troubleshooting technology, and handling correspondence.

The Library Technician II - Youth Services works 30 hours (equals .75 FTE) and is responsible for cataloging each item along with assisting our Youth Services Librarian with programming, desk coverage, displays etc. Adding an additional 10 hours per week to make this position full-time 40 hours will allow for more public facing time on desk, thus creating a welcoming and safer Children's Library environment. It will also ensure there are no backlogs so we can have our new materials available to the public in a timely manner.

This line accounts for our six non-union Library Associates. Library Associates are a key component to our library staffing and have a starting salary listed just above minimum wage. These Library Associates work hard to provide excellent customer service and deal with a variety of complex tasks during a typical shift. They are our "on call" staffers who have often allowed us to keep the library doors open in the event of a vacation request or an unanticipated absence from a full-time Librarian. This line includes a starting hourly rate of \$16.25 for these employees (3.6% cost of living increase) along with a step scale based on years of employment.

This line is mainly for our WPCA monthly water fees (anticipating a 3% increase). It also includes a small amount toward potential/unexpected website or phone issues.

No new printers or photocopiers are needed. However, we desperately need to upgrade our Microsoft Office Suite licenses. This line includes the estimated cost of 12 perpetual licenses through TechSoup.

Both library buildings' phone lines and faxing services are included here. This account covers two phone lines and one fax line at Bill Library and one phone line and one fax line at Gales Ferry Library.

Operations include supplies (office, building, processing materials, printers, copiers, and craft) along with annual dues, continuing education, and rent for both library buildings. As Director, I feel it is important to attend a national library conference, so the anticipated conference fees are also included here (\$2,000.00).

The photocopier machines are also an added expense to this line (previously this was not part of the library budget). This is the main reason for the large percentage increase in this line. Annual photocopier lease = \$3,060.00 and anticipated imaging = \$2,300.00 which totals \$5,360.00 for the year. Estimated revenue for the library is \$5,500.00 for FY25.

LION Regional Computer Network

We currently belong to the LION Consortium. Fees will increase again this year (+3.39%), and benefits continue to decrease. Belonging to a library consortium is an essential need for our library and community because of the benefit of shared resources, support, and more. I think it is important for us to consider all our options in the state for consortium membership to see if LION is really the best option for Ledyard.

This fee covers Ledyard's share of all the ongoing operating costs incurred by the LION cooperative library automation network. This includes troubleshooting computer issues and other equipment. LION membership benefits include a full online public catalog, a fully integrated automation system, website hosting, and email accounts for library staff.

In addition to consortium membership, this line includes internet access and fiber maintenance fees (discounted through E-Rate) as well as the Bill Library self-checkout machine software/maintenance.

Costs for collection materials have continued to increase despite receiving discounts from our distributors. Back in 2012, Ledyard Library had a \$60,000 budget for collection materials. As libraries continue to evolve, our patrons are now expecting instant access to materials. In addition, there are several areas of our collection that need to be updated to provide the best service and relevant materials to our community. Last year, the state average per capita expenses for library materials was \$5.15, and Ledyard spent \$4.61.

Included in this line is the \$6,600 is for e-materials that LION purchases on our behalf as part of our membership. This fee for e-materials is required with LION membership.

Parks, Recreation, and Senior Center Director. 3% projected increase. Assistant P&R Director. Beginning step per CBA.

P&R Office assistant, Park Maintainer, and Nutrition Site Supervisor. 3% increase for all three positions per CBA in addition to any step increases.

Part time SR CTR receptionist

Funds used to pay for weekend janitors for Youth

Basketball, wrestling and indoor soccer.

Transportation provided by town-employed vehicle drivers to Seniors' medical and wellness appointments. Includes 1 FT and 1 Per Diem driver.

Water, Gas, and Cable/Internet bills

Monthly fee for the SECT Senior Center web site.

Turf management, grass cutting and maintenance contracts for all parks, athletic facilities, the beach and old office.

Said account is to maintain 7 play areas, one beach four major parks, 4

pavilions ,11 baseball ,6 softball, 9 soccer, 4 practice and one official football fields. three irrigation systems along with 4 facilities under the lights.

Required for maintenance and repair for two handicapped-accessible vans, a station wagon, and sedan. Provides mobility to Seniors for medical appointments, grocery shopping, and banking. Required for purchase of tires and maintenance of specialty equipment such as hydraulics. Necessary for state mandated safety inspections, replacement parts and repairs.

Account is used for supplies at various programs, office, playgrounds, first aid to all leagues along with support to 5 major town functions and three Southeastern CT Dualthlons and Triathlons. Summer staff training along with background checks.

Pays for all athletic fields, parks, community center, and aerators at beach.

General Obligation bond principal. See budget spreadsheet for individual bonds - may need to be updated for May '24 anticipated borrowings

General Obligation bond interest. See budget spreadsheet for detail - may need updating for anticipated May '24 borrowings.

Debt payments to State Drinking Water Fund for the 2010 issue.

Interest to State Drinking Water Fund for the 2010 issue.

Contribution to Water and Sewer funds to pay Clean Water and Drinking Water Funds loans, and General Obligation bonds.

To be used for costs associated with May '24 borrowings.

Taxpayer contribution to Capital Improvement Program. See CIP section of budget for detail.

JUSTIFICATION

Request fair & equitable compensation for workload/ duties / responsibilities including serving as an Administrator and supporting staff and volunteers with the Granicus-Legistar System. Also serving as Deputy Treasurer.

In addition to overseeing the day to day operation of the Town Council Office and drafting/managing routine correspondence/emails, letters, memos, Resolutions, Ordinances, managing the Department Budget-Purchase Orders, I currently handle/support 96 meetings per year, not including Budget Work Sessions, Site Walks, Public Hearings, Special Town Council Meetings, and Special Town Meetings.

In accordance with Chapter III, Section 11 of the Town Charter: "The Town Council shall annually designate an independent public accountant or firm of independent public accountants to audit the books and accounts of the Town in accordance with the provisions of the General Statutes".

In accordance CGS 7-396 and 4-232 the Office of Management and Policy (OPM) must be notified of the Municipalities Appointed Auditor 30 days (May 31st) before the end of the Fiscal Year.

Funding to purchase toner & other supplies to print the budget for the Public Hearing & Annual Town Meeting.

General Miscel. Office Supplies:\$1,820 for things such as: Archival Paper for Minutes, Binders, DVD's; Name Plates, Frame TC Photo, Folders, etc.

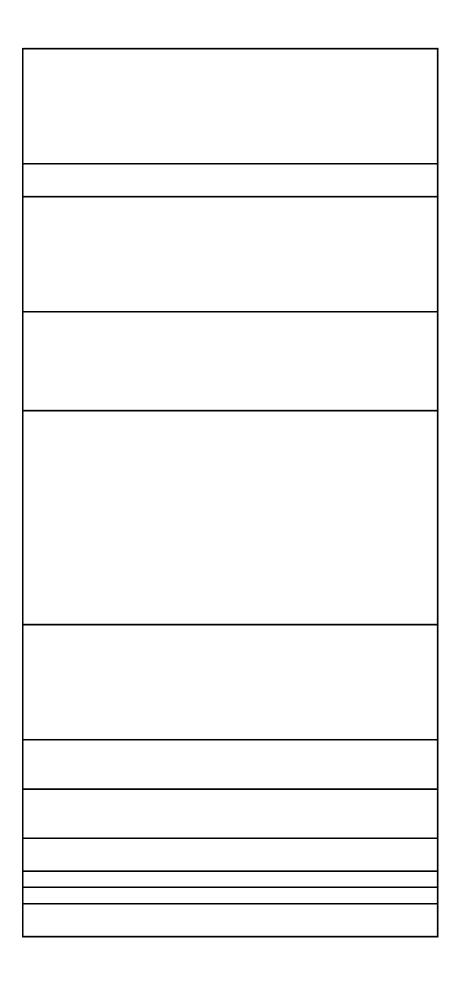

(No Increase)

Members of the Town Council have expressed interest in attending CCM Trainings, etc. In speaking to the Mayor, \$1,500 has been added to the Town Council Operating Budget to pay for Trainings.

This budget line was previously used for the Treasurer to attend GFOA (Government Financing Officers Association meetings.

During the past few years the Treasurer has not attended the CT GFOA quarterly Meetings and and does not plan to attend next year.

\$1.00 has been included in the Budget so that there was a line to allocate funding too, should the town choose to provide a Volunteer Appreciation Event.

This account is the only account within the Mayor's budget to provide for
the unforeseen expenses or expenses that cannot be fit into another line
item.
Reproduction/scanners/printers are necessary for the operation of Town
Hall.
Required by CGS to publish legal notices.
required by eas to publish regarilates.
Membership is vital to the cooperation between municipalities when
working toward regionalization. It is vital that we continue our membership to effectively lobby the State of
Connecticut on issues concerning our Town.

In cases of purposeful contamination of a cell/cruiser by an arrestee, the department adds a criminal charge and requests restitution through the court.
Repair of department equipment.
Essential for operations and health and safety of police personnel.
Mobile Data Service for In-car computers.
Essential to operations.
Water Service to police facility.
Contractual items.

Essential to safety of police personnel.

Contractual per employment agreement.

Public relations, search and rescue, crime prevention, tracking of fleeing offenders and missing/endangered persons.

Essential personnel for staffing the Emergency Communications Center. The amount factors in a 3% contractual wage increase on July 1, 2024.

Over the past 3 fiscal years, the department has experienced reduced usage of per diem personnel due to a shortage of trained dispatchers. The requested amount considers FY24 usage and a proposed pay rate increase to \$23.00 per hour.

The calculation for FY25 assumes each employee requesting pay for 8 holidays during the course of the year. Average hourly rate is \$27.89 X 8 hours X 64 total holidays paid.

The meal allowance increased by \$5.00 per occurrence in the new collective bargaining agreement. There were 74 occurrences where the allowance was paid in calendar 2023.

TriTech is our CAD/RMS provider

Communications Plus--All radio equipment

Interaction Insight maintains recorders

Universal Telecomm maintains Alarms
